

Facilities Performance Indicators

Access Detailed, Customizable Reports with
Benchmarking Data

Analyze. Compare. Improve.

APPA's Facilities Performance Indicators (FPI) program empowers educational institutions with trusted benchmarking tools to evaluate facility operations, performance, and spending.

Access Detailed, Customizable Reports with Benchmarking Data By

- ✓ Region and climate zone
- ✓ Carnegie Classification
- ✓ Enrollment size
- ✓ Energy sources
- ✓ Staffing levels across custodial, grounds, maintenance, and more

Why Participate in FPI?

- Access decades of comprehensive facilities data
- Benchmark your performance against peer institutions

- Gain insights on costs, staffing, energy use, and space utilization
- Drive strategic decisions with evidence-based insights

Pricing

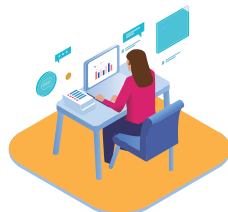

APPA Institutional Members (Participants)	APPA Institutional Members	Non-Member Institutions	Business Partners
